

# About Czech Intelligent Mobility

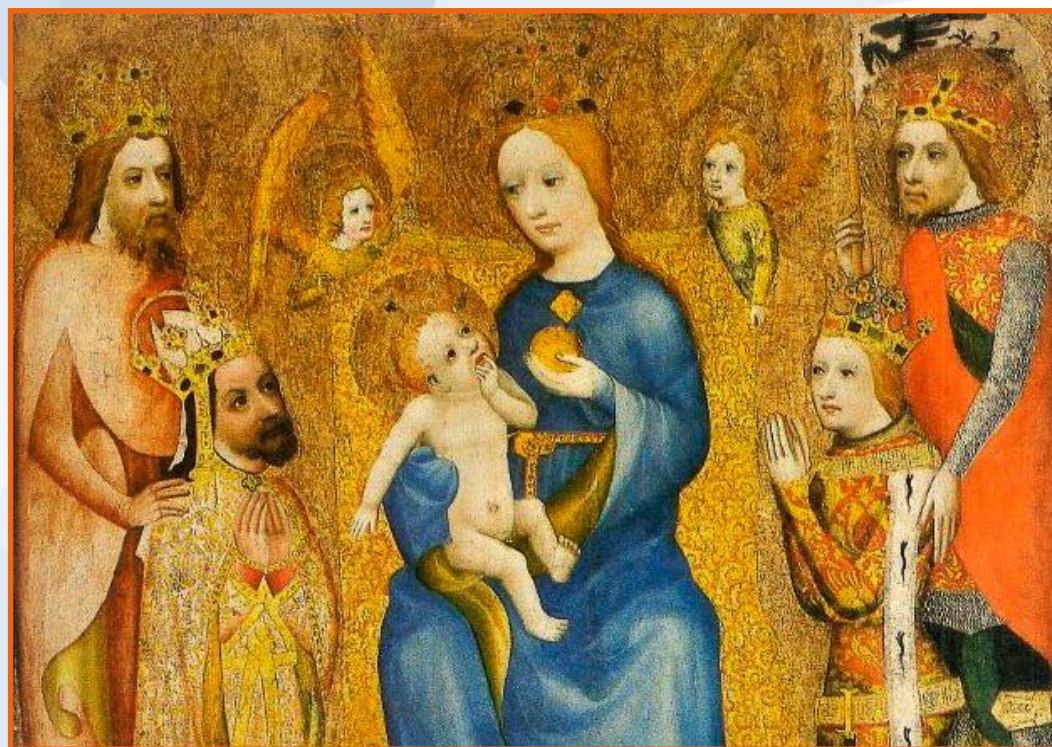

**Roman Srp**  
Intelligent Transport Systems & Services

Czech- Korea ITS forum  
Prague, May 2015

## Once upon a time ...

- People
- Life
- Work
- Love
- Pain
- Towns
- Streets
- Countryside
- Vehicles (HPs)

Votive picture of Archbishop Jan Očko from Vlašim. 14<sup>th</sup> century, National Gallery, Prague

## We about us today ...

10.5 mil. Habitants  
14 regions  
1+14 governments

2014:  
1.24 mil. new cars  
3,841 buses  
821 truck

PT users > 37 %

IDOS MMJP:  
winner Smart  
Mobility  
Challenge

-42° C,  
CZ lower  
temperature  
ever

Pilsen  
Budweiser

And  
some  
more...

3<sup>rd</sup> nation  
in space  
13,5 mil. SIMs  
1 supercomputer

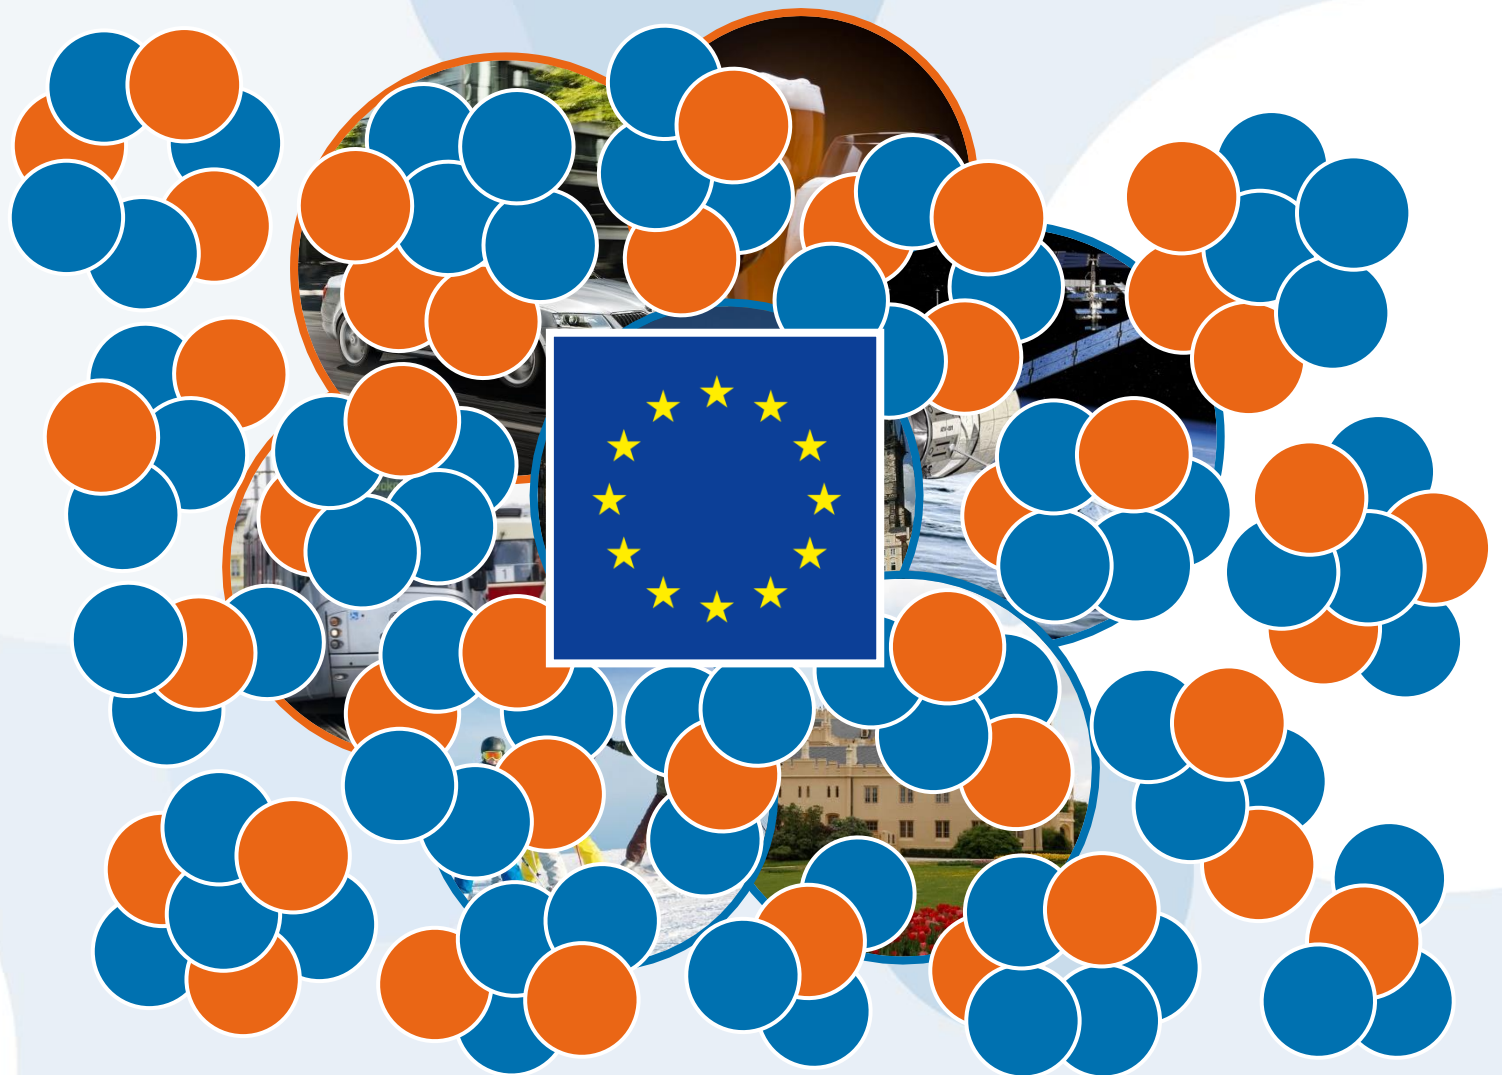

The other  
people of the  
world like the  
same things

12 UNESCO  
monuments

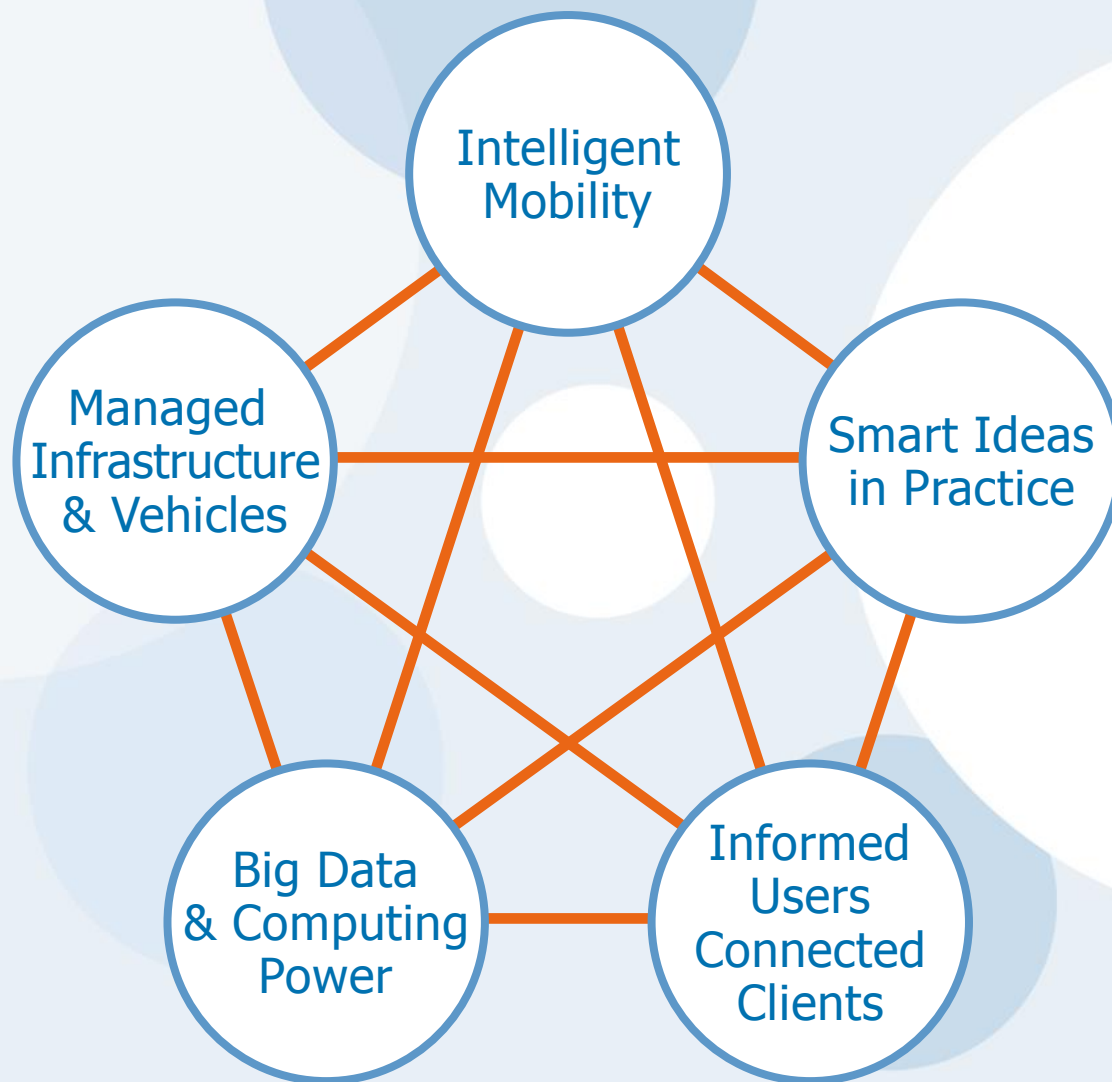

# One small country

**a part of Europe**

# Safer better life and cleaner environment

# ITS&S

- National ITS Association
- Founded 2000 as ITS&S Czech Republic
- **80 Czech and Slovak** companies & institutions on board
- Non profit SME status from FP7 point of view
- Member of the network of ITS National Associations
- Discussion partner to public sector and partnership with other Czech professional associations active in transport:

Czech Chamber of Commerce, Confederation of Industry and Transport, Transport Union of the Czech Republic, ČESMAD BOHEMIA: Association of Road Transport Operators, Association of Small and Medium-sized Enterprises and Crafts of the Czech Republic, CAPTA: Czech Association of Public Transport Authorities, PPP Association

Thank you.
